Establishment Liberals

Roughly half of Establishment Liberals describe their political views as liberal. They hold liberal positions on nearly all issues and support an expanded role for government and a larger social safety net. They also hold liberal attitudes on issues of racial and ethnic

equality. Establishment Liberals are more likely than any other group to say that compromise is how things get done in politics. About half say they are satisfied with the way things are going in the country today, and an overwhelming majority say they approve of the job Joe Biden is doing as president.

### Establishment Liberals are...

### DISTINGUISHING FEATURES

- Liberal on most issues
- Favor political compromise
- Strong Biden supporters

You can read more about [Establishment Liberals](#) in the Center's [typology report](#). You can also view [interactive charts](#) to see how the nine typology groups compare on a number of issues. Or, stay on this page to learn more about your results.

### How you compare

The results shown below are based on a survey of 10,221 adults conducted July 8-18, 2021.

Share of Establishment Liberals saying the same as you  
Share of general population saying the same you

GOVERNMENT

**You answered:** You would rather have a smaller government providing fewer services

15%

48%
